Quick Facts:

- Handicapped accessible stepped platforms with handholds for additional stability and meets ADA guidelines.
- Ladder climber helps young muscles to develop and build, while a perforated-steel partial roof provides shade for those hot summer days.
- Open design allows for easy adult supervision.
- Commercial grade components specifically engineered to resist corrosion, fading and mildew.
- Designed in compliance with public playground safety standards (ASTM & CPSC).
- Colors are as shown.

Warranty:

- Lifetime on steel and aluminum posts, all stainless steel hardware, clamps, deck hangers, post caps and cast aluminum parts, except as otherwise specified below.
- 25 years on Spring Mates® aluminum castings.
- 15 Years on all perforated steel decks and stairs, steel rails, loops and rungs, sheet steel, rotationally-molded and sheet plastic components, recycled plastic lumber, Ecofly1201117 © 2012 Playworld Systems®, Inc. Terms, Armor panels, roofs and crawl tubes, stainless steel slides, aluminum slides, and PlayWeb™ tubular steel parts.
