

## Size Options:

Part #	Size	Weight
5003-SL	(Small) 5ft x 5ft x 10in	40 LBS.
5002-SL	(Large) 5ft x 10ft x 10in	65LBS.

## Quick Facts:

- Patented Interlocking design makes it easy to assemble and disassemble in minutes
- Commercial grade plastic (HDPE) with UV stabilizers
- Heavy-duty erosion fabric barrier is designed to keep plants and insects out while still permeable to let water out.
- Includes the CoverLock shock cord system. Shock cords are sewn into corners and sides of cover and used by pulling on to notches in sandbox. This design allows covers to go on and off easily while staying on in extreme year round outdoor weather.
- Includes vinyl cover.

## Warranty:

- SandLock has reinvented the traditional Sandbox. Our sandboxes are truly the easiest to assemble, made from durable plastic, and are backed by a 10 Year Warranty.
