- Fade, mildew, and rot resistant
- Powdercoat poles provide extra durability and color
- Available 10' x 10' up to 40' x 40'
- Shades can be completely customized

The Elbow Glide

In case of unusual or forecasted weather, the fabric can be removed quickly and safely. Easy installation and removal of your fabric is completed with the use of a simple wrench. The Elbow Glide, not the weather, will be in control of your investment for years to come.
