Little Sprouts Uno

Little Sprouts Uno

LITTLE STEPS TOWARD BIG ADVENTURES.

Little Sprouts Uno combines sliding, climbing, and interactive activities in a compact commercial play structure for children ages 6–23 months.

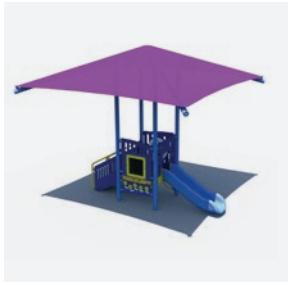

A double slide, hands-on panels, and low climbing access give young children opportunities to move, explore, and interact with others. Designed for outdoor early childhood settings, the structure uses weather-resistant materials and offers a low-maintenance play solution.

Its compact design suits childcare centers, preschool infant programs, and smaller play spaces.

Without integrated shade.

With integrated shade.

SPECIFICATIONS

Age group	/	6-23 months
Capacity	/	12 children
Fall height	/	2'
